From a Prominent Physician.

Washingtonville, Ohio, June 17, 1889. Dr. B. J. KENDALL & Co., Gents: Read-ing your advertisement in Turf, Field, and Farm, of Kendall's Spavin Cure, and having a valuable and speedy Horse which had been lame from spavin eighteen months. I sent to a variance and speed norths, from a mental to you for a bottle by express, which in six weeks removed all lameness and enlargement and a large splint from another horse, and both horses are to-day as sound as colts. The one bottle was worth to me one hundred nollars. Respectfully yours.

H. A. BERTOLETT, M. D. KENDALL'S SPAVIN CURE

Harrisburg, Pa., Nov. 18, 1880.

Dr. B. J. KENDALL & Co., Gents: 1 have a very fine mare that has had a bone spavin for a long time. I tried every thing man could devise to cure it but all in vain and was about to give it up when a friend of mine in this city came to me and recom-mended Kendall's Spavin Cure which I tried

mended Kendall's Spavin Cure which I tried with grand results, removing that bone clear and clean and then I sent 25 cents to you for one of your illustrated Horse Books and I think there is no better book printed on the horse and his diseases. I have taken great interest to it and have since sold is copies for you to my neighbors and will try and do what good I can by getting them for others.

Yours truly,

G. W. MILLER.

KENDALL'S SPAVIN CURE ON HUMAN PLESH

Bakersfield, VI., Dec., 23, 1879. B. J. KENDALL & Co., Gents: I wish to B. J. KENDALI. & Co., Gents: I wish to add my testimony in favor of your invaluable innment, "Kendali's Spavin Cure." In the spring of 1862 I slipped on the ice and sprained my right limb at the knee jount. I was very iame and at times suffered the most exeructating pam. I wore a bandage on it for over a year, and tried most everything in my reach, but could find nothing that would give me pernanent relief. When I overworked, it would pain me very much. In April 1878 I began to think I should be a cripple for life; but having some of "Kendali's Spavin Cure" thought I would try it. I used one third of a bottle, and experienced relief at once. The pain left me and has not troubled me since. I feel very grateful to you and would recommend 'Kendali's Spavin Cure' to all who suffer with sprains or theumatism. Yours truly, Mrs. J. BOUTELL.

Kendall's Spavin Cure Is sure in its effects, mild in its action as it does not blister, and yet it is penetrating and powerful to reach any deep scated pain or to remove any bony growth or any other enlargement, if used for several days, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.

Send address for illustrated circular, which we think gives positive proof of its virtues.
